Forms 1094-B/1095-B, 1094-C/1095-C TY2014 Known Issues and Solutions for AATS Updated 09/22/2015			
Item #	Date Added	Scenario #	Description of the Change
1	7/6/2015	6-0 to 6-2	New Medicaid Scenario added
2	7/6/2015	All	The descriptions of the scenarios were changed to provide additional detail for when the filer has choices in completing the forms. For example, we note which option the filer used to report coverage the entire year, either the "all 12 months" box or checking each individual month. We clarified the choices made for Forms 1095-C lines 14 and 16.
3	7/10/2015	Scenario 5-2	Address was changed to remove #529. (# is a special character that causes rejects at the portal.)
4	9/25/2015	All	For all elements using BooleanType, use "True" for Yes box and "False" for No box. (With single checkbox using BooleanType, use "True" for checked and "False" for not checked.)
